## Tour Reservation Form

We are pleased to welcome your group to the Benicia Historical Museum at the Camel Barns. Docent led tours of the Museum last about one hour. Please allow enough time to shop in our Museum shop in addition to this time. Please indicate if you would like a tour of the Powder Magazine Military exhibit and/or the Casey Hall Industrial exhibit as they are located in separate buildings. These venues will add an additional hour to the tour. The Powder Magazine is about a quarter mile from the Museum and can be accessed by a mini-bus, automobile or on foot. The Industrial exhibit is located in the neighboring building to the Museum.

Please review the following information to ensure it is correct and return this form to the Museum at least a week prior to your requested tour date. We look forward to seeing you and hope that you will enjoy your visit. If you should have any questions, please do not hesitate to contact the Museum at the phone number or email address above.
